

## MOTOREX SWISSCUT FRISCO 71 PLUS SWISSGRIND ZOOM XS

*High performance grinding / cooling oil*

### Description

MOTOREX SWISSCUT FRISCO 71 PLUS is a high performance grinding oil which is able to accept extremely high pressures and also has a good cooling and rinsing effect. As a result we have an excellent grinding pattern with a minimum of oil mist.

### Area of application

MOTOREX SWISSCUT FRISCO 71 PLUS is especially suitable for any kind of grinding operation, for any kind of material like carbide, high speed steels, and any other kind of material in connection with grinding wheels from diamond, ceramics, borazon, CBN etc.

### Advantages

- free of chlorine and heavy metals
- no smell
- bright colour
- excellent corrosion protection
- skin friendly
- stable against oxidation
- not harmful to paints of machines, rubber seals, O-rings, electrical cables and plastics
